

Page High School Snack Shack Store

Advisor: Tristan Brown

The Snack Shack is in charge of collecting Letters to Santa for the Macy's Make A Wish Campaign. The mailbox stays out in front of the store throughout the day and during lunch the employees encourage customers to write their letter and support a great cause. This has helped increase traffic as students are coming down to drop off letters and grabbing a snack too.

Yes, it increased traffic. And help students be aware that we were fully back up and running.
